Scavenger Hunt

Scavenger hunts are a great fun activity that can help your child to develop their listening and understanding skills.

Children could search for all sorts of everyday objects, for example you could ask them to find...

- something cuddly
- something you could wear on your head
- something shiny
- something red

You could go on a scavenger hunt together outdoors too and look for natural objects, such as different shaped leaves, pine cones and pebbles.

A Sailor Went to Sea, Sea, Sea

*A sailor went to sea, sea, sea,
to see what he could see, see, see.
But all that he could see, see, see,
was the bottom of the deep blue sea, sea, sea.*
