Handprint Christmas Tree

What you need

- ◯ Coloured paints
- ◯ Paintbrushes
- ◯ Paper/card
- ◯ Any extra craft accessories - glue, glitter, pom poms
- ◯ Newspaper (to catch any mess)

What to do

1. Prepare your workspace - lay down newspaper, open lids of paint, wipes at the ready

2. Use a medium sized paintbrush to brush paint onto your child's hand, or let them have a go - not too much!

3. Help guide your child's hand and press down on the paper and hold still for a few seconds

4. Gently lift their hand slowly off the paper

5. Repeat to make a tree shape like the picture, cleaning hands between colours

6. Allow paint to dry before next step

7. Get creative with decorating - paint baubles, glitter glue tinsel and anything else that works - don't forget to add the tree trunk!

Small Steps Big Changes - giving every child the best start in life
