Working in partnership with

Bercow: Ten Years On

Public Health
England

An independent review of provision for children and young people with speech, language and communication needs in England.

 Making a
Difference
Trust **Honesty** **Respect** **Compassion** **Teamwork**

What is Home Talk?

- Home visiting service for 2- 2 ½ year olds
- Strategies and activities to support children's language development
- Singing, book sharing, everyday routines, out and about. Tailored to each child
- Delivered by Home Talk Workers and supported by SLTs

Who is Home Talk for?

- Children with spoken language difficulties aged 2-2.6 years
- Up to 15% of Children are eligible
- For monolingual, bilingual and multilingual children

How do we work?

- Adapt to meet the needs of each family
- Respect the culture and views of every family we work with
- Continually review delivery of our service
- Embrace the 'test and learn' approach across the team
- link in with the local community offers.
