

Home Talk

For children between 2-2½ years who need some help with their language development

“My child’s speech has improved so much that she is able to talk to us... her tantrums have stopped! Our home is much happier.”

At 2 years old

- say up to 30 different single words
- (bilingual children) say up to 30 words in all their languages combined

Closer to 2 ½ years old

- say up to 50 different single words
- (bilingual children) say up to 50 single words in all their languages combined

Six home visits with a Home Talk worker

Home Talk is a nationally recognised evidence-based service. It is delivered in the SSBC wards of **Aspley, Bulwell, Hyson Green & Arboretum and St Ann’s** by early years workers with enhanced training to support early language development. Guided and supervised by specialist early years Speech and Language Therapists
