

Tiny Steps to Talking

For children aged
12-23 months

Help your little one to listen and start talking on this free group.

The next groups start at:

“ We’ve seen a massive difference in Rose and as parents, we’ve got a lot more knowledge too. ” Kathryn Whitley, attendee

Nottinghamshire Healthcare **NHS**
NHS Foundation Trust

6 group sessions with other parents & carers:

- Relaxed and informal group setting
- Learn how your child's communication develops
- Discover fun everyday activities to help support your child's language development

“

***Tiny Steps to Talking is for parents and caregivers of children aged 12-23 months who live in the Small Steps Big Changes wards of Aspley, Bulwell, HysonGreen and Arboretum and St Ann's.**

”
